

GU/Ferco Multipoint Lock Infosheet 1 in. = 25.4mm

Logos stamped on faceplate

Faceplate width: 16mm or 20mm

Euro Profile

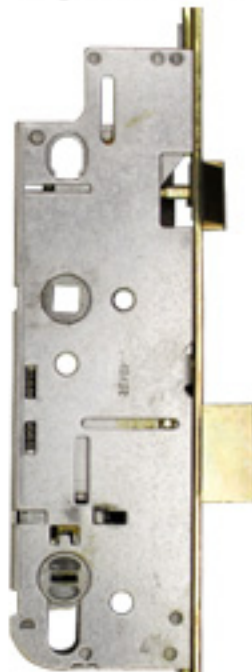

American Profile

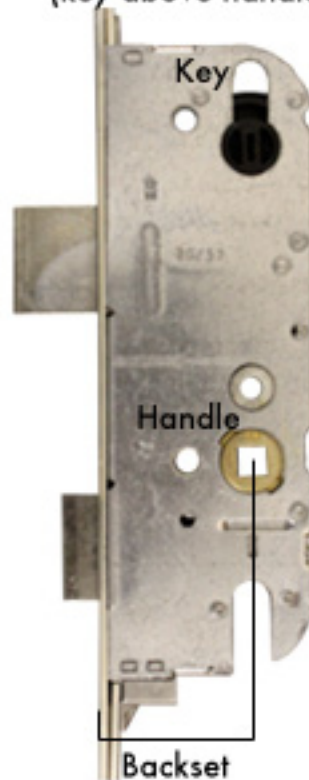

GU, a German-based hardware company, and Ferco, a French company, have both been under the umbrella of the Gretch-Unitas Group of Companies since the 1970s. While there are still some Ferco locks in existence, today, multipoint locks are manufactured under the GU name or as GU-Ferco locks.

Old Style (Was Europa style; no longer available)
